I have received a copy of the Avon Elementary School handbook for the 2011-2012 school year. I understand that the handbook has been provided in an effort to promote a better understanding of the Avon Elementary School rules and expectations.

I understand that this handbook may be amended during the school year without notice. This handbook in the latest version is applicable to all students upon the implementation of any change. The administration will notify all parents and students in writing, where possible, of any changes to the handbook.

My signature below acknowledges receipt of the handbook. I will review the handbook with my child(ren) prior to the start of the school year, or, if registering my child after the start of the school year, immediately.
