

AVON COMMUNITY UNIT SCHOOL DISTRICT 176  
EMAIL SIGN-UP LIST

The school sends home many notices and items throughout the year. Past practice has been that most of these have been sent in paper form. Items sent through the mail add to costs for district operations, and items sent home with students sometimes do not make it home.

For these reasons, the district wishes to move to delivery of notices and items by **email** as much as possible. If you would like to help save the district on paper and mailing costs, and provide a direct method for you to receive these documents when possible, please fill out the form below.

Thank you for your help.
