CARD**

GRADES: 6 7 8

The Better Schools Accountability Law of 1985 requires public school districts to provide school report cards each year to parents (and others upon request). This report card contains information about your school and your district in the following categories: student characteristics, the instructional setting, the school district's finances, and student performance on state assessments.

The state assessments are designed to measure students' progress in mastering the Illinois Learning Standards. These Standards, adopted in 1997, express what Illinois students should know and be able to do. The Illinois Standards Achievement Test (ISAT) and the Prairie State Achievement Examination (PSAE) were launched to measure student achievement of the Illinois Learning Standards. In addition, the Illinois Measure of Annual Growth in English (IMAGE) assesses the progress of limited-English-proficient students in attaining the English-language skills needed to achieve the Learning Standards. For students with disabilities whose Individualized Education Programs (IEP's) indicate that participation in the ISAT and the PSAE would not be appropriate, the Illinois Alternate Assessment (IAA) measures progress toward achievement of the Standards through a portfolio process.

Note: Title 1 of the Elementary and Secondary Education Act requires that the reporting of state assessment data be disaggregated by various student characteristics. This requirement significantly increases the volume of data reported. Therefore, blank tables and tables not relevant to a school are not printed. Also, in order to protect students' confidentiality, assessment data for groups of fewer than five students are not printed.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.
