

Avon CUSD #176
Special Combined Board of Education Meeting
June 16, 2011

The Avon Community Unit School District #176 Board of Education met June 16, 2011 in Abingdon in a special combined meeting with the Abingdon and Bushnell Prairie-City Boards of Education. The meeting was conducted by the Committee of 10 for the three districts.

The Committee of 10 asked the three Boards of Education to affirm their vote from the previous board meeting to move forward with the consolidation petition as presented by the Committee. All three did so. The Committee of 10 then asked Chad Sperry from Western Illinois University to speak regarding Board of Education election districting in the new district, and steps that would be taken in developing legal definitions of the boundaries of the new district. Mr. Sperry took a few questions from those in attendance.

The board will meet in regular session Wednesday, July 13, 2011, at 7:30 pm in the Avon Board Room.
